Please select the option that most accurately defines your company, based on the definitions below.

\*\*\*Georgia Resident Business means any business that regularly maintains a place from which business is physically conducted in Georgia for at least one year prior to any bid or proposal to the state or a new business that is domiciled in Georgia and which regularly maintains a place from which business is physically conducted in Georgia; provided, however, that a place from which business is conducted shall not include a post office box, a leased private mailbox, site trailer, or temporary structure.

\*\*A Small business is defined as a business that is independently owned and operated. In addition, such a business must either have fewer than 300 employees or less than \$30 million in gross receipts per year.

\*A Georgia Resident Small Business would be a business that meets the requirements for both a Georgia Resident and Small Business.

Also, the State encourages all companies to sub-contract portions of any state contract to small and minority business enterprises. Suppliers interested in taking advantage of the Georgia income tax incentives provided for by the Official Code of Georgia Annotated Section 48-7-38, relative to the use of minority subcontractors in the performance of contracts awarded by the State of Georgia, should contact the Vendor Relations Administrator:

Is your company a scrutinized company?

Any Supplier that currently and/or previously, within the last three years, has had business activities or other operations outside of the United States, must certify that it is not a "scrutinized company". A scrutinized company is a company conducting business operations in Sudan that is involved in power production activities, mineral extraction activities, oil-related activities, or the production of military equipment, but excludes a company which can demonstrate any of the following exceptions noted in O.C.G.A. Section 50-5-84. False certification hereunder may result in civil penalties, contract termination, ineligibility to bid on state contractors for three or more years, and/or any other available remedy. If the Supplier is a scrutinized company, the Supplier shall not be eligible to bid on or submit a proposal for a contract with the State Entity unless DOAS makes a determination in accordance with O.C.G.A. Section 50-5-84 that it is in the best interests of the State to permit the scrutinized company to submit a bid or proposal. Any scrutinized company desiring DOAS to make such a determination should contact both DOAS and the Issuing Officer immediately.

Please make a selection from the three options:

- A. I certify my company is NOT a "scrutinized company"  
B. I certify my company is a "scrutinized company"  
C. I certify I have requested and received written permission from DOAS to submit a response to this Event in accordance with O.C.G.A. Section 50-5-84.

Have you submitted a completed Tax Compliance form?

To be eligible for contract award, the supplier must not owe taxes to the State of Georgia. Also, in accordance with Official Code of Georgia Annotated §50-5-82, the State Entity is prohibited from awarding any contract valued at more than \$100,000.00 to a nongovernmental vendor if that vendor or an affiliate of the vendor is a "dealer" failing or refusing to collect sales or use taxes on its sales delivered to Georgia. Each Supplier must submit a completed Tax Compliance Form (SPD-SP045), which has been provided as a downloadable document by accessing the link below. In the event the Supplier is being considered for contract award (and the contract is valued at more than \$100,000.00), the information provided in the Tax Compliance Form will be submitted by the State Entity to the Georgia Department of Revenue ("DOR") for a determination as to whether the Supplier is a "prohibited source" or has other tax deficiencies. The State Entity reserves the right to submit the Supplier's completed form to DOR for review even if the contract is valued at less than \$100,000.00. Download the Tax Compliance form using the link below and upload the completed form as part of your response:

<http://doas.ga.gov/assets/State%20Purchasing/Stage%203%20Documents/SPD-SP045TaxComplianceForm.doc>

Any Offeror identified as a prohibited source will be ineligible for award. Accordingly, the Offeror is strongly encouraged to check its tax status now and resolve any outstanding tax liabilities prior to submitting this response. Department of Revenue has identified the following source to allow Offerors to check current tax status:

Reciprocal Preference Law O.C.G.A. §50-5-60(b) In which state is your company domiciled?

For the purposes of evaluation only, Suppliers resident in the State of Georgia will be granted the same preference over Suppliers resident in another state in the same manner, on the same basis, and to the same extent that preference is granted in awarding bids for the same goods or services by such other state to Suppliers resident therein over Suppliers resident in the State of Georgia.

NOTE: For the purposes of this law, the definition of a resident Supplier is a Supplier who is domiciled in the State of Georgia.

Georgia

Please select the option that most accurately defines your company, based on the definitions below.

\*\*\*Georgia Resident Business means any business that regularly maintains a place from which business is physically conducted in Georgia for at least one year prior to any bid or proposal to the state or a new business that is domiciled in Georgia and which regularly maintains a place from which business is physically conducted in Georgia; provided, however, that a place from which business is conducted shall not include a post office box, a leased private mailbox, site trailer, or temporary structure.

\*\*A Small business is defined as a business that is independently owned and operated. In addition, such a business must either have fewer than 300 employees or less than \$30 million in gross receipts per year.

\*A Georgia Resident Small Business would be a business that meets the requirements for both a Georgia Resident and Small Business.

Also, the State encourages all companies to sub-contract portions of any state contract to small and minority business enterprises. Suppliers interested in taking advantage of the Georgia income tax incentives provided for by the Official Code of Georgia Annotated Section 48-7-38, relative to the use of minority subcontractors in the performance of contracts awarded by the State of Georgia, should contact the Vendor Relations Administrator:

If the Supplier is a scrutinized company, the Supplier shall not be eligible to bid on or submit a proposal for a contract with the State Entity unless DOAS makes a determination in accordance with O.C.G.A. Have you submitted a completed Tax Compliance form?

To be eligible for contract award, the supplier must not owe taxes to the State of Georgia. Also, in accordance with Official Code of Georgia Annotated §50-5-82, the State Entity is prohibited from awarding any contract valued at more than \$100,000.00 to a nongovernmental vendor if that vendor or an affiliate of the vendor is a "dealer" failing or refusing to collect sales or use taxes on its sales delivered to Georgia. Each Supplier must submit a completed Tax Compliance Form (SPD-SP045), which has been provided as a downloadable document by accessing the link below. In the event the Supplier is being considered for contract award (and the contract is valued at more than \$100,000.00), the information provided in the Tax Compliance Form will be submitted by the State Entity to the Georgia Department of Revenue ("DOR") for a determination as to whether the Supplier is a "prohibited source" or has other tax deficiencies. The State Entity reserves the right to submit the Supplier's completed form to DOR for review even if the contract is valued at less than \$100,000.00. Download the Tax Compliance form using the link below and upload the completed form as part of your response:

<http://doas.ga.gov/assets/State%20Purchasing/Stage%203%20Documents/SPD-SP045TaxComplianceForm.doc>

Any Offeror identified as a prohibited source will be ineligible for award. Accordingly, the Offeror is strongly encouraged to check its tax status now and resolve any outstanding tax liabilities prior to submitting this response. Department of Revenue has identified the following source to allow Offerors to check current tax status:
